## DIRECTIONS

### By public transport

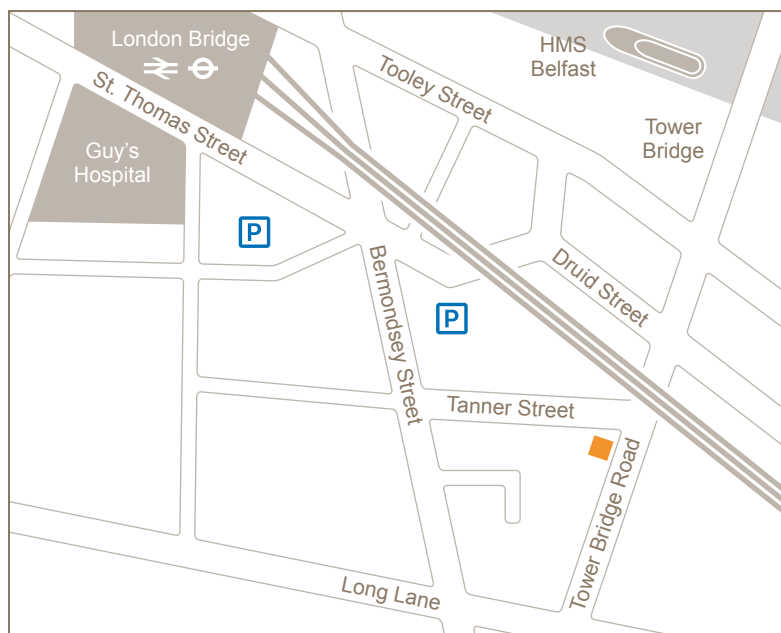

Exit London Bridge station on the southern side following directions for Guy's Hospital. Walk east along St. Thomas Street for approximately 5 minutes before turning right, into Bermondsey Street. Walk south for a further 3 minutes and turn left into Tanner Street. A small park will be on your right with tennis courts. At the end of Tanner Street, with the junction of Tower Bridge Road, turn right and we are the second building.

### By Taxi

Our office is two doors down from the Premier Inn hotel on Tower Bridge Road and very near the junction with Tanner Street.

### By car

Free parking is available at the rear of our building in Archie Street, but please note that this is within the congestion zone. This road has an automatic barrier across it operated by Premier Inn. When entering be sure to take a ticket, as this will be required when leaving.
